Described as one of the most romantic locations in Kent, set in 35 acres of grounds including a lake, waterfall, a rose garden and tranquil woodland, Chiddingstone Castle is a fairytale setting for your Wedding Day.

The Castle is very versatile as a venue and offers a number of locations, both inside and out, enabling you to take full advantage of this lovely historic building and grounds.

The Great Hall is a grand remarkable wood panelled room providing a magnificent location for a wedding ceremony and reception, with a capacity of 80 for traditional seating and dining, and up to 100 for the evening reception. The award winning Orangery is a stunning structure in the grounds which effortlessly combines ancient splendour with contemporary architecture and is licensed for civil ceremonies from April – September. The beautiful White Rose Room presents a very elegant setting for smaller more intimate ceremonies and can accommodate up to 60.

The castle grounds offer stunning views across the north lawn and lake, and our south lawn is an idyllic place for outside receptions, drinks or canapés with The Castle providing a magnificent backdrop. The grounds and castle also present ample locations for unique and memorable wedding photographs.

Catering is provided by one of our excellent preferred caterers, all of whom can design a bespoke menu for each couple. Chiddingstone Castle does not charge corkage, allowing you to provide wines and champagnes of your choice.
